MCQ ANSWER

21.   Answer   :   a) - $\beta_0, \beta_1, ..., \beta_r$ are the regression
                             coefficients.
22.   Answer   :   d) – The value $R^2 = 1$,
                             which corresponds to SSR = 0
23.   Answer   :   a) - Y
24.   Answer   :   a) - The bottom-left plot
25.   Answer   :   d) – d, b, e, a, c
26.   Answer   :   b) – fit-intercept
27.   Answer   :   c) – Polynomial regression
28.   Answer   :   A) - You want graphical representations
                             of your data.
29.   Answer   :   b) – Numpy
30.   Answer   :   c) – Matplotlib
